

Join us

ON: Mondays

TIME: 9.30—11.00

BRING: Drink bottles
and snacks for
your child.

NOTE: Only one adult per child.
The adult must stay for the
whole session.

OUR PURPOSE

At Meadow Springs Education Support Centre, we aim to provide an environment that is safe, supportive, friendly and provides positive learning for everyone. We will encourage our students to reach their full potential by explicitly teaching social skills and positive behaviours, using consistent common language and practices.

REGISTRATION

To register your interest for the Pre-Kindy Program please call 9584 7450 or email:

MeadowSprings.ESC@education.wa.edu.au

Alternatively you can phone 9584 7450 to make an appointment with the Principal.

Principal: Gwen Evans

Deputy Principal: Rebecca King

Pre-Kindy Program

About our Program

Our Pre-Kindy Program aims to provide opportunities for young children with special needs in their year prior to Kindy to develop social interactions in a group setting and support their transition into school through purposeful play.

We will also encourage your child to participate in activities that will develop early skills in communication to prepare for formal learning the following school year.

Skills your child will develop:

- Gross motor and fine motor skills
- Language development
- Communication skills
- Developing independence
- Sensory learning
- Developing self-esteem, resilience and self-management
- Developing social interactions
- Fundamental academic skills
- Purposeful play
- Group participation skills

promoting success for all students

Interactive Activities

A range of activities will be prepared each week to enhance skill development

- Sensory play
- Fine motor tasks
- Painting
- Drawing
- Early maths and reading skills
- Construction and imaginative play
- Expressive and receptive language games
